

Information

HOSPITAL COVERAGE: Our Physicians are on staff at Doctors Hospital, the Children's Medical Center (MCG), University Hospital and Trinity Hospital as a courtesy to you and your children. MCG also has in-house staff that cares for your children.

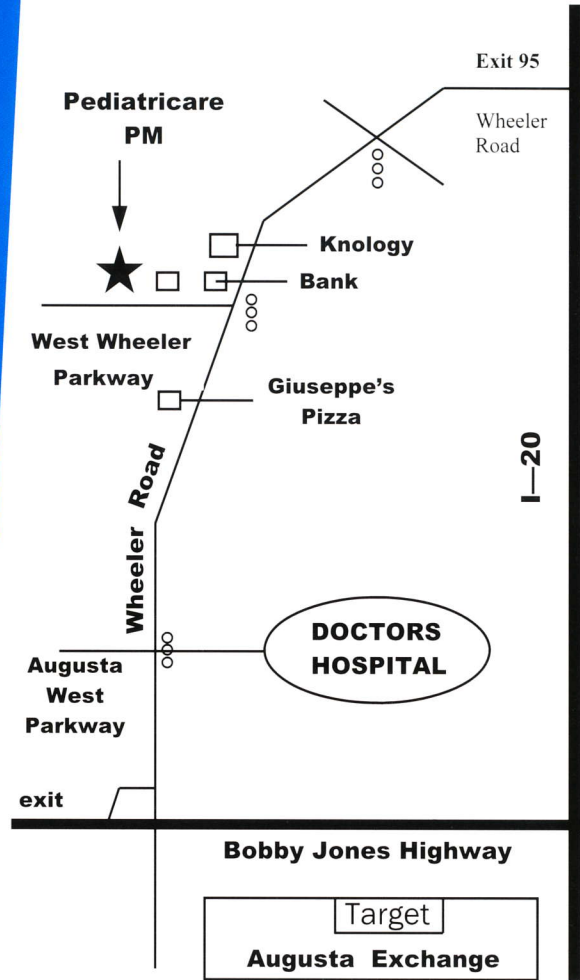

INSURANCE AND PAYMENT POLICIES:

At Pediatricare PM, we accept and file most insurances as a courtesy to you, your insurance company requires that we collect your co-pay at the time of your visit and that you present your insurance card to us at each visit. The Medicaid programs and Peachcare programs also require that you present your card to us for verification of eligibility on each visit. If proof of eligibility cannot be established, we ask that you pay for the visit in full at the time of the visit. You will have to file the insurance and obtain any reimbursements. As an alternative, if you do not wish to use our "After-Hour Services" due to cost, you may visit the Emergency Department.

PATIENT PRIVACY: Everyone at Pediatricare PM is committed to protecting your privacy and safeguarding your health information. Our "Notice of Privacy Practices" is available upon request and describes how we respect the rights of all our patients in accordance with federal privacy rules. Please bear with us as we protect yours and others medical rights and privacy.

PEDIATRICARE PM

PEDIATRICARE PM

"After hours care for sick children"

Pediatricare PM is an "After Hours Clinic" available seven days a week, except major holidays. This convenient alternative to the emergency room is for the treatment of mild to moderately sick children for those patients in our call group. The clinic is open 7pm to 9pm weekdays and on weekends, in the busy winter months the clinic is open from 4 pm to 7 pm (Oct.1 - May 31) and during the summer months from 5pm to 7pm (Apr.1 - Sept.30). The after hours clinic operates on a first come, first serve basis and is located at 1215 West Wheeler Parkway. The clinic is staffed by one of the pediatricians in our call group .

NURSE TRIAGE

"After Hours"

After business hours, our pediatric offices continue to care for your children. We employ a registered pediatric nurse after hours to answer emergency calls about your child's illnesses. If needed, one of the pediatricians in our call group is always available to help you and your child.
